AFTER-CARE REQUIREMENTS
(All items to be clearly marked please)

(All homework exercise books, pencils, rulers and erasers are supplied by After-care for Grades 1-3)

Pre-School – Grade 2
- Packed lunch of your choice, preferably healthy, and a change of clothing
- Cap/hat and suntan lotion (optional)
- 2 Boxes of tissues (compulsory for each child at start of first term)

Grade 3
- Change of clothing
- 2 Boxes of tissues (compulsory for each child at start of first term)
- Other stationery required for the completion of homework will have to be brought by the learners on a daily basis

For swimming on a Friday (in Summer months only), I will need the names of all those girls who cannot swim to make arrangements for assistance. Swimming will take place every alternate Friday, weather permitting, except when the school has a function. Should any of this change, the children will be advised accordingly. Swimming this term will start on Friday 8th February.

The following will be required, to be brought by each child taking part in swimming:

- Any swimming costume
- Swimming cap
- Towel
- Plastic packet (for wet items)
- Own arm bands, tubes, etc. if desired (clearly marked), but no lilo’s, boogie boards, inflatables or any other pool toys are allowed

Please note that should your daughter not have one of the following requirements, she will be unable to swim, as we do not encourage the borrowing of these items.

We request that all children have the abovementioned requirements, as soon as possible, to enable us to establish a routine for the smooth running of the After-care.
